This case has been assigned to the undersigned for all further proceedings. Counsel are instructed that all future filings shall bear the **initials JLQ** immediately after the case number.

The court has reviewed the file, and is aware that a Motion to Remand (ECF No. 7) is pending and has been fully briefed. The Motion was previously set for hearing on March 21, 2013, which hearing was vacated. The court has reviewed the briefing and believes that oral argument is unnecessary. IT IS HEREBY ORDERED:

1. If either party requires oral argument, that party shall file a Notice of Request for Oral Argument **on or before April 3, 2013**. If either party requests oral argument, the court will hear the Motion to Remand telephonically at a date and time to be set by the court. If no request is made, the Motion will be deemed submitted for decision as of April 3, 2013.

2. The parties have filed a Stipulation (ECF No. 25) for continuance of case management deadlines. That stipulated request for continuance is GRANTED. The case

1 management conference date of April 25, 2013 is STRICKEN. The associated dates to
2 meet and confer, file ADR certification, and submit Rule 26(f) report are also
3 STRICKEN. The dates will be reset, if necessary, after determination of the Motion to
4 Remand.

5 **IT IS SO ORDERED:**
